JÓIAS (PRATA 925)

Os **colares prata semi joias** são acessórios coringa, considerados peça-chave por combinar com todos os tipos de pele e cores de roupas. O brilho que o banho de prata promove ao **colar semi joia** exalta a beleza de todos os tons de pele e realça seus mais belos traços, tornando-a radiante em todas as ocasiões. Além disso, os **colares prata** combinam facilmente composições com acessórios coloridos, o que confere um toque moderno e sofisticado ao visual. Esses colares possuem os mais diversos modelos de pingentes, com lindas simbologias e brilho singular, proporcionado pelas belíssimas pedras zircônias, que tornam as **semi joias Dani Dellicata** semelhantes a autênticas joias de grife e muito versáteis, pois podem ser utilizados separadamente para compor looks clássicos ou em composições mais elaboradas na forma de conjunto.
